Chairperson’s Report: Chairperson Michael Hagan congratulated both Richard Bettencourt and Gail Tyrrell on their election to the Library Trustee and welcomed Gail to tonight’s meeting.

Chairperson Michael Hagan reported on several library-sponsored programs and events that either have been held or are coming up:

The Donuts with Dad Children’s Program held on Saturday, May 16th was very successful.

On Wednesday, May 20th from 9:30-11:00 am, Stephen Howlett, the Chairman of the Peabody Trust in London, will stop by for a tea reception and a tour of the library. Trustees are invited and encouraged to attend. Assistant Director, Suzanne MacLeod will oversee matters as Director Thibeault will be on vacation.

The Public Works Appreciation Luncheon will be held on Tuesday, June 2nd from 12 Noon – 1:00 pm in the Gordon Room. Tennessee BBQ will once again cater the event. Trustees are encouraged and invited to attend to thank the men and women for the excellent work they do for the library.

On Saturday, June 6th, the library will be hosting “Bee-Wise” Beekeeping for Children and Families.

The Rotary Club will meet in the Gordon Room at lunchtime on June 8th so they can inspect the Standring Room, for which the Club’s Foundation recently donated funds for new furnishings. We expect to receive the last of the new furnishings in late May and have the room reappointed for this visit.

The Friends of the Library’s Annual Book Sale will begin on June 24th and runs through July 11th. The Library is still accepting donations of gently-used books.

Active Shooter Training will be conducted by the Danvers Police Department for the staff on June 9th at the bi-monthly staff meeting. Trustee Julie Curtis asked about numbering doors for better identification of location in case of shooting. Director Thibeault offered to bring this up with the Police and Fire Departments. Trustee Gail Tyrrell asked if it should be up to the police to schedule this. Chair Hagan explained that last year the library developed an Emergency Preparedness Plan and that the Trustees are responsible for the library and its operations.

Celebrating the Art of Sculpture: The library will host a third installment of the popular outdoor art exhibition this summer from June 15th to September 11th. There will be a reception with food and drink to celebrate the exhibition on June 28th.

CORI Checks for Construction Employees: Chairperson Hagan pointed out there was going to be major renovations done to the library with construction personnel being either on library property or in the building itself for several months, and asked if CORI checks would be done on the construction people.
**Treasurer Report:** Treasurer Frank Herschede reported that the George Peabody Account started April with 102,930 in its account and ended with $103,127 and the Peabody Institute Account began the month with $455,527 in its account and ended April with $444,913. There was a lengthy discussion regarding how investment funds to both of these accounts were being handled and it was decided to invite our investment advisor Carley Duggan to our next meeting to discuss the handling of our accounts and discuss alternative investment plans. It was brought up that the last time she visited was June 2014 and since then our gains/collections have remained the same. Natalie Luca Fiore felt if we did not get answers by next month that we should start looking for other investment companies. Director Thibeault reported that due to the $900,000.00 snow removal overage this past winter, the library offered and Town Hall gratefully accepted $10,000.00 from the library’s Books budget to help defray the snow removal costs this fiscal year. Thibeault stressed that this would not affect the library’s ability to retain certification and receive a full award of State Aid to Public Libraries in Fiscal Year 2016. Julie Curtis asked if the library offered this money or did the Town Manager ask for it. Director Thibeault responded that an e-mail was sent out to all Town Department Heads requesting this.

**Director Report:** Director Thibeault reported that with two months left in the fiscal year he expects that library will be fine budget wise. Trustee Curtis asked about budget for E-Books. Director Thibeault reported that budget for E-Books was $5,000 for next year up from $2,600 this year. Thibeault also reported was libraries do not purchase E-Books, they merely license them. The Massachusetts Board of Library Commissioners has granted the library nearly $34,000.00 in state aid this year. We have approximately $10,000.00 left from previous years’ state aid. Thibeault would like apply $27,000.00 in state aid monies toward the FY 2016 budget. He reported that the Town could not direct how the library spends the allocated monies nor could they take the funds away from us.

**Building and Grounds Report:** The plans and specifications for the HVAC Project are complete with the project now out to bid. Public Works hosted a pre-bid walk through on April 22nd and General Bids are due by May 20th and work is expected to begin on or about May 27th. Public Works crews repointed some loose bricks near the front entrance portico and ground down a portion of a walkway slab behind the building to remove tripping hazards. Chairperson Hagan spoke about the Army Band due to perform in June as part of the Summer Recreational concerts and reported there was some concern about possible protesters.

**Lyceum Committee:** Chairperson Natalie Luca Fiore reported that she will meet with library staff to determine how best to apply Lyceum funds for programming.

**Urn Restoration:** Director Thibeault reported that restoration work began this week. The reported cost is $19,200.00 to restore and reinstall the urn.

**Adjournment:** A motion was made by Wilbur Cobb and seconded by Irene Conte to adjourn the May 13, 2015 library trustee meeting at 8:15 pm. Motion passed unanimously.

Respectfully submitted,

Julie E. Curtis, Recording Secretary
