

Summer Reading

Danvers High School Summer Reading 2021

This summer DHS students will be expected to continue to develop their reading skills by choosing at least one book from our all new summer reading list. Attached is a list of several books that include works of fiction, non-fiction and graphic novels. Many are available as audiobooks. All of the titles will be available through SORA or can be borrowed in print from the DHS Library. The public library will also have copies to lend.

Sora is our online student reading app. Download the Sora app or visit <https://soraapp.com>. Use your phone or your school Chromebook. Find your school. Enter your log-in information (same as your google account information, username WITHOUT @danvers.org and same password). Find a book, and enjoy.

There is an “exit ticket” (a short assignment for you to complete) to help you retain your ideas about the book and record your reaction to it for ELA credit when you return to school.
